

***FiberNet* Fiber Diffraction Workshop**

August 6-9, 2006

Fall Creek Falls, Tennessee

speakers include: **R. Chandrasekaran, Purdue University**
Kenn Gardner, University of Delaware
Tom Irving, Illinois Institute of Technology
Paul Langan, Los Alamos National Laboratory
Jianpeng Ma, Baylor College of Medicine
Rick Millane, University of Canterbury, NZ
Joseph Orgel, Illinois Institute of Technology
John Squire, Imperial College, London, UK
Gerald Stubbs, Vanderbilt University
Tim Wess, Cardiff University, UK

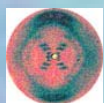

One of America's most beautiful State Parks is the setting for a workshop that will be useful to absolute beginners and fiber diffraction veterans alike!

poster session
software workshop featuring *CCP13* and *FiberNet* software
introduction to fiber diffraction workshop

registration, accommodation and program information from *FiberNet* at
www.fiberdiffraction.org

further information from Gerald Stubbs or Tom Irving
gerald.stubbs@vanderbilt.edu irving@iit.edu

sponsored by

***FiberNet* (a NSF-sponsored research coordination network in fiber diffraction from biological polymers and assemblies)**

***BioCAT* (a NIH-supported research center at Argonne National Laboratory for the study of the structure and dynamics of partially ordered biological systems)**
